Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(d)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(d), Applicants bring to the attention of the Examiner the documents on the attached listing. This Information Disclosure Statement is being filed after a Final Office Action and is accompanied by a fee of \$180.00, as specified under § 1.17(p) and a certification as specified under § 1.97(e). Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

Each document listed in this Information Disclosure Statement was first cited in a Notification of Reasons for Rejection ("Notification") from the Japanese Patent Office in

a counterpart foreign application, and this Information Disclosure Statement is being filed within three months of the mailing date of that communication.

Copies of the listed foreign documents are attached.

Applicant respectfully requests that the Examiner consider the listed documents and indicate that the documents were considered by making appropriate notations on the attached form.

An English abstract and translation of the listed Japanese Patent Application Publication No. 07-168744 is enclosed. Applicants have also enclosed, for the Examiner's convenience, an English language version of the Notification which cites this document and sets forth the relevance thereof. Applicants do not necessarily endorse the conclusions set forth in the Notification.

Applicants note that the other "cited document" in the Notification, an article to Birrell et al. (see the third page of the translation of the Notification), was previously cited by Applicants in an Information Disclosure Statement filed on January 4, 2004, and considered by the Examiner, as indicated in the initialed Form PTO 1449 attached to the Office Action mailed July 12, 2004.

Applicants have also enclosed a copy of Japanese Patent Application Publication No. 01-156840 (JP '840) and an English language abstract of this document. JP '840 is also identified at the third page of the Notification.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies the documents as prior art against any claims in the application and Applicants determine that the cited

documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
